## HELP FACULTY and AFFILIATE

1. Carpiano RM, Fitterer LM. Questions of trust in health research on social capital: what aspects of personal network social capital do they measure? *Soc Sci Med*. 2014 Sep;116:225-34. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/24721251>.
2. Human Early Learning Partnership. **Middle Development Instrument (MDI) reports: school district and community reports - grade 4**. Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/maps/mdi/nh/>.
3. Human Early Learning Partnership. **Middle Development Instrument (MDI) reports: school district and community reports - grade 7**. Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/maps/mdi/nh/>.
4. Human Early Learning Partnership. **Middle Development Instrument (MDI) tools for action: resource for moving to action**. Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/mdi/tools/>.

## BIOLOGY/NEUROBIOLOGY (“early experiences”)

1. Anacker C, O'Donnell KJ, Meaney MJ. **Early life adversity and the epigenetic programming of hypothalamic-pituitary-adrenal function**. *Dialogues Clin Neurosci*. 2014;16(3):321-33. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25364283>.
2. Bale TL. **Lifetime stress experience: transgenerational epigenetics and germ cell programming**. *Dialogues Clin Neurosci*. 2014;16(3):297-305. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25364281>.
3. Bilgin A, Wolke D. **Maternal sensitivity in parenting preterm children: a meta-analysis**. *Pediatrics*. 2015;136(1):e177-e93. Available from: <http://pediatrics.aappublications.org/content/136/1/e177.abstract>.
4. Clifford S, Lemery-Chalfant K, Goldsmith HH. **The unique and shared genetic and environmental contributions to fear, anger, and sadness in childhood**. *Child Dev*. 2015;n/a-n/a. Available from: <http://dx.doi.org/10.1111/cdev.12394>.
5. Hernandez AE, Greene MR, Vaughn KA, Francis DJ, Grigorenko EL. **Beyond the bilingual advantage: the potential role of genes and environment on the development of cognitive control**. *J Neurolinguistics*. 2015;35:109-19. Available from: <http://www.sciencedirect.com/science/article/pii/S0911604415000196>.
6. Raposo SM, Mackenzie CS, Henriksen CA, Afifi TO. **Time does not heal all wounds: older adults who experienced childhood adversities have higher odds of mood, anxiety, and personality disorders**. *Am J Geriatr Psychiatry*. 2014;22(11):1241-50. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/24012227>.

## CHILDCARE, ECD SERVICES

1. British Association for Community Child Health. **The meaning of “integrated care” for children and families in the UK. British Association for Community Child Health Position Statement**. London, UK: BACCH; 2012 Jan. Available from: [http://www.bacch.org.uk/policy/documents/IntegrationBACCHposition\\_web.pdf](http://www.bacch.org.uk/policy/documents/IntegrationBACCHposition_web.pdf).
2. Forry ND, Tout K, Rothenberg L, Sandstrom H, Vesely C. **Child care decision-making literature review. OPRE Brief 2013-45**. Washington, DC: U.S. Department of Health and Human Services, Office of

Planning, Research and Evaluation, Administration for Children and Families; 2013 Dec. Available from: <http://www.acf.hhs.gov/programs/opre/resource/child-care-decision-making-literature-review>.

3. Ivanova I. **Solving BC's affordability crisis in child care. financing the \$10 a day plan.** Vancouver, BC: Canadian Centre for Policy Alternatives; 2015 Jul. Available from: <https://www.policyalternatives.ca/publications/reports/solving-bc%E2%80%99s-affordability-crisis-child-care>.

## CHILD DEVELOPMENT (GENERAL)

1. Browne DT, Plamondon A, Prime H, Puente-Duran S, Wade M. **Cumulative risk and developmental health: an argument for the importance of a family-wide science.** WIREs Cognitive Science. 2015;6(4):397-407. Available from: <http://onlinelibrary.wiley.com/doi/10.1002/wcs.1349/abstract>.
2. Islam F. **Immigrating to Canada during early childhood associated with increased risk for mood disorders.** Community Ment Health J. 2015;51(6):723-32. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25725782>.
4. Jenkins G, Yuen H, Rose E, Maher A, Gregory K, Cotton M. **Disparities in quality of park play spaces between two cities with diverse income and race/ethnicity composition: a pilot study.** Int J Environ Res Public Health. 2015;12(7):8009. Available from: <http://www.mdpi.com/1660-4601/12/7/8009>.
3. Lionetti F, Pastore M, Barone L. **Attachment in institutionalized children: a review and meta-analysis.** Child Abuse Negl. 2015;42:135-45. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25747874>.
5. Moser A, Zimmermann L, Dickerson K, Grenell A, Barr R, Gerhardstein P. **They can interact, but can they learn? Toddlers' transfer learning from touchscreens and television.** J Exp Child Psychol. 2015;137:137-55. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25978678>.
4. Roopnarine JL, Davidson KL. **Parent-child play across cultures: advancing play research.** Am J Play. 2015;7(2):228-52. Available from: <http://www.journalofplay.org/sites/www.journalofplay.org/files/pdf-articles/7-2-article-parent-child-play-across-cultures.pdf>.
6. Thorpe K, Staton S, Sawyer E, Pattinson C, Haden C, Smith S. **Napping, development and health from 0 to 5 years: a systematic review.** Arch Dis Child. 2015;100(7):615-22. Available from: <http://adc.bmj.com/content/early/2015/01/29/archdischild-2014-307241.abstract>.
5. Watt E, Fitzpatrick C, Derevensky JL, Pagani LS. **Too much television? prospective associations between early childhood televiewing and later self-reports of victimization by sixth grade classmates.** J Dev Behav Pediatr. 2015;36(6):426-33. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/26075581>.

## CHILDREN'S ENVIRONMENTAL HEALTH, BUILT ENVIRONMENT

1. Bratman GN, Hamilton JP, Hahn KS, Daily GC, Gross JJ. **Nature experience reduces rumination and subgenual prefrontal cortex activation.** Proc Natl Acad Sci U S A. 2015. Available from: <http://www.pnas.org/content/early/2015/06/23/1510459112.abstract>.

## GLOBAL

1. Reading R. **Establishing a child rights, health equity and social justice-based practice of pediatrics.** Child Care Health Dev. 2015;41:637. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25819914>.

## INDIGENOUS

1. Emmons NA, Kelemen DA. **I've got a feeling: urban and rural indigenous children's beliefs about early life mentality.** J Exp Child Psychol. 2015;138:106-25. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/26047086>.

## LOW INCOME, BARRIERS TO ACCESS, HEALTH [IN]EQUITY

### MIDDLE YEARS

1. Daniel E, Dys SP, Buchmann M, Malti T. **Developmental relations between sympathy, moral emotion attributions, moral reasoning, and social justice values from childhood to early adolescence.** J Adolesc. 2014;37(7):1201-14. Available from: <http://www.sciencedirect.com/science/article/pii/S0140197114001444>.
2. Harrison ME, Norris ML, Obeid N, Fu M, Weinstangel H, Sampson M. **Systematic review of the effects of family meal frequency on psychosocial outcomes in youth.** Can Fam Physician. 2015;61(2):e96-106. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25676655>.
3. Mellor C. **School-based interventions targeting stigma of mental illness: systematic review.** Psychiatr Bull (2014). 2014;38(4):164-71. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25237538?dopt=Abstract>.

## PARTNERSHIPS, HUBS, INTEGRATED CENTRES

### POPULATION HEALTH

1. Mackenbach JP. **Education programs are likely to improve health, but will they improve health equity?** Am J Prev Med. 2015;48(5):E5-E6. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25823565>.
2. Preda A, Voigt K. **The social determinants of health: why should we care?** Am J Bioethics. 2015;15(3):25-36. Available from: <http://dx.doi.org/10.1080/15265161.2014.998374>.

### POLICY, PRACTICE, INTERVENTIONS

1. Australian Early Development Instrument Census. **Perinatal predictors of child development.** Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Dec. Available from: <http://www.aedc.gov.au/resources/detail/perinatal-predictors-of-child-development>.
2. Australian Early Development Instrument Census. **Shaping learning trajectories for children with additional health and developmental needs.** Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Dec. Available from: <http://www.aedc.gov.au/resources/detail/shaping-learning-trajectories-for-children-with-additional-health-and-developmental-needs>.
3. Australian Early Development Instrument Census. **Early childhood education and care and the transition to school.** Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Dec. Available from:

<http://www.aedc.gov.au/resources/detail/early-childhood-education-and-care-and-the-transition-to-school>.

4. Australian Early Development Instrument Census. **Gender differences in the AEDC and into the school years**. Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Dec. Available from: <http://www.aedc.gov.au/resources/detail/gender-differences-in-the-aedc-and-into-the-school-years>.
3. Australian Early Development Instrument Census. **The impact of socio-economics and school readiness for life course educational trajectories**. Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Dec. Available from: <http://www.aedc.gov.au/resources/detail/the-impact-of-socio-economics-and-school-readiness-for-life-course-educational-trajectories>.
4. Australian Early Development Instrument Census. **The predictive validity of the AEDC: Predicting later cognitive and behavioural outcomes**. Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Oct. Available from: <http://www.aedc.gov.au/resources/detail/the-predictive-validity-of-the-aedc-predicting-later-cognitive-and-behavioural-outcomes>.
5. Australian Early Development Instrument Census. **English proficiency at school entry for bilingual children**. Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2014 Oct. Available from: <http://www.aedc.gov.au/resources/detail/english-proficiency-at-school-entry-for-bilingual-children>.
6. Australian Early Development Instrument Census. **AEDC news: research snapshots**. Melbourne, VIC: Centre for Community Child Health, Royal Children's Hospital, Melbourne, and the Telethon Kids Institute, Perth; 2015 [updated Oct]; Available from: <http://www.aedc.gov.au/about-the-aedc/aedc-news/article/2015/06/18/research-snapshots>.
5. Brownell M, Chartier M, Au W, MacWilliam L, Schultz J, Guenette W, et al. **The educational outcomes of children in care in Manitoba**. Winnipeg, MB: Manitoba Centre for Health Policy; 2015 Jun. Available from: [http://mchp-appserv.cpe.umanitoba.ca/reference//CIC\\_report\\_web.pdf](http://mchp-appserv.cpe.umanitoba.ca/reference//CIC_report_web.pdf).
6. Currie J, Rossin-Slater M. **Early-life origins of life-cycle well-being: research and policy implications**. J Policy Anal Manage. 2015;34(1):208-42. Available from: <http://www.ncbi.nlm.nih.gov/pubmed/25558491>.

## SCREENING

1. Buote D. **Increasing vulnerability in the early years: a closer look at five North Shore neighbourhoods**. North Vancouver, BC: Arbor Educational & Clinical Consulting Inc for North Shore Community Resources; 2015 Jun. Available from: [https://gallery.mailchimp.com/8da445c2daf2c2a9bca75bcb9/files/Increasing\\_Vulnerability\\_in\\_the\\_Early\\_Years\\_A\\_Closer\\_Look\\_at\\_Five\\_North\\_Shore\\_Neighbourhoods.pdf](https://gallery.mailchimp.com/8da445c2daf2c2a9bca75bcb9/files/Increasing_Vulnerability_in_the_Early_Years_A_Closer_Look_at_Five_North_Shore_Neighbourhoods.pdf).
2. Carley L. **Squamish. Promoting healthy early childhood development**. Vancouver, BC: Vancouver Coastal Health; 2015. Available from: <http://squamish.ca/assets/SQUAMISH-ECD.pdf>.
3. Duku E, Janus M, Brinkman S. **Investigation of the cross-national equivalence of a measurement of early child development**. Child Indicators Research. 2015;8(2):471-89. Available from: <http://link.springer.com/article/10.1007%2Fs12187-014-9249-3>.
4. Dymnicki Aaao, Henry D, Myford C. **The development of an instrument to measure school readiness for a prevention program**. Learning Environments Research. 2015;18(2):267-87. Available from: <http://link.springer.com/article/10.1007%2Fs10984-015-9183-4>.

5. Human Early Learning Partnership. **Middle Development Instrument (MDI) reports: school district and community reports - grade 4.** Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/maps/mdi/nh/>.
4. Human Early Learning Partnership. **Middle Development Instrument (MDI) reports: school district and community reports - grade 7.** Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/maps/mdi/nh/>.
5. Human Early Learning Partnership. **Middle Development Instrument (MDI) tools for action: resource for moving to action.** Vancouver, BC: University of British Columbia, School of Population and Public Health; 2015 Jun. Available from: <http://earlylearning.ubc.ca/mdi/tools/>.
6. Martiquet P. **Health and wellness in Squamish. findings from the My Health My Community survey.** Vancouver, BC: Vancouver Coastal Health; 2015. Available from: <http://squamish.ca/assets/MHMC-Squamish-Presentation-June-2015-Final.pdf>.
7. Vancouver Coastal Health. **Squamish community health profile.** Vancouver, BC: Vancouver Coastal Health; 2015. Available from: <http://squamish.ca/assets/SqCommunityProfile.pdf>.

## SCHOOL READINESS

### MEDIA (HELP general)

1. Armour R. Study on early development in Ladysmith has groups in action. Nanaimo Daily News. 2015 Jun 16.

### MEDIA (Kershaw, Generation Squeeze)

1. Report touts \$10-a-day child care. Times - Colonist. 2015 Jul 10.
2. Carman T. Child care for \$10 a day feasible; Economy would benefit from employment, GDP boost, report finds. The Vancouver Sun. 2015 Jul 09.
3. CBC staff. Affordable daycare needed in B.C., says Canadian Centre for Policy Alternatives. CBC News. 2015 Jul 9.
4. Jang B. Residents blame foreign buyers for housing prices, survey finds. The Globe and Mail. 2015 Jun 18.
5. Quinn S. The secret to happiness was right under our noses. The Globe and Mail. 2015 Jun 20.
